Golden Horn scowled at Wukong. "I doubt you have a gourd like mine." "I do," said Wukong. He held up the real gourd. The demon looked carefully at the gourd. "That does look like my gourd. But my gourd is magical."

"My gourd is magical too," said Wukong. The demon rubbed his chin. "What can your gourd do ?" "It can hold a demon," said Wukong. "All I have to do is say the demon's name. The demon will get sucked in and then turn into liquid."
