西游记英文版台词精读

E96：Journey to the West（Wind and Fog 风和雾）上

单词数：340个　小初3500词　　DATE:

"I hope we reach the Western Paradise soon," said the Tang Monk. "This journey has been very dangerous." Bajie nodded. "Those three demons tried to pickle me!" Everybody laughed, even Bajie.

"Wukong, what happened to those demons?" asked Wujing. "Buddha took them away," said Wukong. "I'm sure they were punished." "Thank you again for saving us," said the Tang Monk.

Wukong waved his hand. "It was nothing, Master. Buddha did most of the work." The

wind [wɪnd]
n.[C,U]风

blow [bləʊ]

group felt a strong wind blow down from the mountains up ahead. A dark fog filled the sky and then disappeared. The Tang Monk was nervous. "Wh-what caused that wind and fog?"

"Relax, Master," said Wukong. "I'm sure it was something harmless—maybe some small demons. I'll go check." The monkey walked up the road and around a bend. He heard laughter and looked up. High above the road, a fat monster was sitting on the edge of a cliff. Several little demons sat next to the monster. Wukong flew up to get a closer look.

The fat monster appeared to be concentrating. Suddenly . . . "Braap!" A burp as loud as thunder blew down the mountain. The demons giggled and laughed. "That was your best burp yet!" cried one demon.

The monster patted his belly. "Yes, I'm proud of that one." "Show us the fog again!" said

another demon. "Coming right up!" said the monster. He covered one nostril with a finger, closed his eyes, and blew hard. Dark fog poured out of his other nostril.

The demons clapped and cheered. The monster smiled and then . . . "Braap!" More wind blew down the mountain. There was a roar of laughter. One demon nearly fell off the cliff.

Wukong shook his head. "I'm not worried about these demons," he said to himself. "They're disgusting but not dangerous." The monkey smiled. "It does give me an idea though..."

Wukong returned to his companions, who were waiting alongside the road. "Did you see any demons?" asked Wujing. Wukong shook his head. "The road is safe."

proud [praʊd]
